

Office Pulse vs Keka HRMS - Feature Comparison

Office Pulse (by Queen Touch Technology) provides a powerful and affordable alternative to Keka HRMS, offering full automation, customization, and data ownership at a fraction of the cost.

1. Pricing Overview

Keka: Rs. 9,999 - Rs. 15,999/month (for 100 employees) + Rs. 90 - Rs. 150 per employee.

Office Pulse: From Rs. 2,999/month or one-time setup cost.

Save up to 60% with Office Pulse without losing any functionality.

2. Why Choose Office Pulse Over Keka

- Full ownership of your HRMS - run on your own server or cloud.
- Highly customizable workflows and dashboards.
- No per-user pricing traps - scale freely.
- Local Tamil & English support by Queen Touch Technology.
- Branded mobile app under your company name.
- Integration with ERPNext, Tally, Biometric, and Accounting systems.
- One unified system for HR, Payroll, Attendance, and Projects.
- Custom reports, analytics, and dashboard creation.
- 100% data privacy and control.

3. Feature Comparison

Feature	Keka	Office Pulse
Core HR	Standard	Fully Customizable
Attendance	Geo + Cloud	QR + Geo + Device Integration
Payroll	Fixed Structure	Configurable Components
Reports	Predefined	Custom + SQL Reports
Mobile App	Keka Branded	Your Brand + Theme
Performance	Static Templates	Configurable per Dept
Integration	Limited	ERPNext + API + Biometric
Support	Centralized Chat	Local Personalized Support
Pricing	High Monthly	Low Monthly / One-time

4. Powerful Taglines for Marketing

- All Keka Features. None of the Keka Pricing.
- Own your HR data, your brand, and your system.
- Smart HRMS for smart businesses - powered by Office Pulse.
- Why rent your HR software when you can own it?
